NOTICE-CUM-ADDENDUM

CHANGE IN RISK-BAND OF INVESTMENT STRATEGY

Investors / Unit Holders are requested to take note of changes in pictorial risk meter, termed as Risk-band depicting potential risk associated with following investment strategy:

Name of the Investment Strategy	Existing Risk-Band	Revised Risk-Band
Summit Equity Long-Short Fund- An open ended equity investment strategy investing in listed equity and equity related instruments including limited short exposure in equity through derivative instruments		

The above change in Risk-band is based on evaluation of risk level of investment strategy portfolio as on August 31, 2026 and is applicable with immediate effect.

Pursuant to above change, necessary changes will be carried out at relevant places in Investment Strategy Information Document (**'ISID'**) and Key Information Memorandum **('KIM')** of the above-mentioned Investment Strategy.

All other terms & conditions of the ISID and KIM of the above-mentioned Investment Strategy will remain unchanged.

This addendum forms an integral part of the ISID / KIM of the above-mentioned Investment Strategy as amended from time to time.
